

**PROACTIVA OPEN ARMS:**

**THREE YEARS SAVING LIVES**

Because we made a promise and because **we can't lose any more lives** at sea, we fight day after day to so that those who are fleeing from war, violence and poverty can continue to write their history.

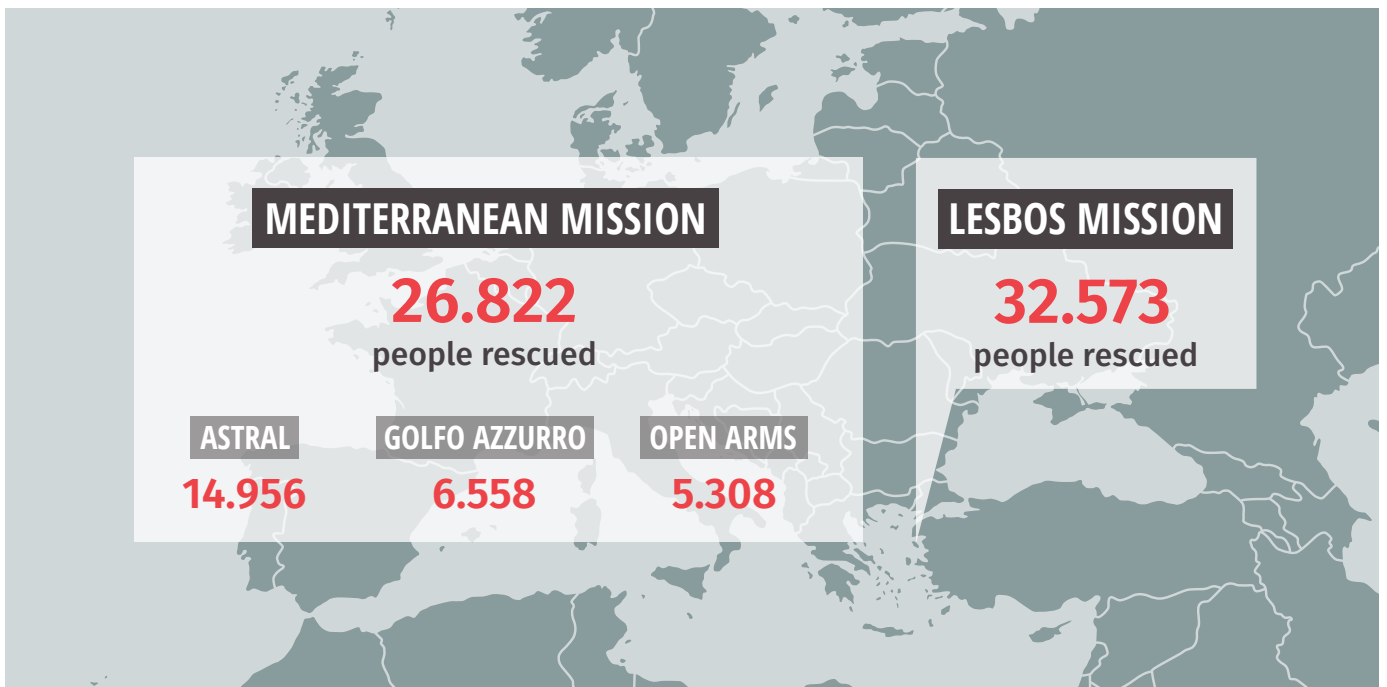

**59.395**

is not just a number,  
it's each one of the **lives we've saved**

from September 2015 to August 2018.

### HOW DID WE DO IT?

**And we'll continue to fight where we are needed most.**

And we'll do it with the support of **our volunteers and with the help of each person who collaborates** with us and who is there to lend a hand at every step.

Without you it wouldn't be possible.

**Do you want to be part of this history?**
